K.M Shafkat Hossain

Data Analytics Enthusiast

✉ hossainkmshafkat@gmail.com || ☎ +8801977670851 || ⚲ Mirpur, Dhaka |∣⦿ Shafkat170 ||ⓜ / shafkat17

OBJECTIVE

To leverage my passion for data analytics to become a skilled professional, contributing to the field of data analytics while continuously expanding my knowledge and expertise.

SKILLS

Programming Language	**Framework**	**Database**
Python, SQL	Pandas, NumPy	MySQL&PostgreSQL

Data Visualization	**Data Warehouse**
Power BI, Excel/Google Sheet	Google Big Query & Snowflake
Matplotlib, Seaborn	

PROJECTS

RFM Segmentation Analysis ✎ Github
Used SQL to calculate each customer's recency, frequency, and monetary value, and then grouped them to understand different customer behaviors.

D-Mart Sales Dashboard ✎ Github
Built an Excel dashboard for D-Mart to show sales trends, top categories, and key performance metrics in a clear and simple way.

Adventure Work Bike Shop Data Analysis ✎ LIVE / **Github**
Build an interactive dashboard using Power BI to analyze and visualize data from the Maven Analytics Adventure Works Bike Shop dataset, incorporating data cleaning, DAX calculations, and geographic mapping.

COURSES

Interactive Cares: Data Analytics and BI Carrier Path

Interactive Cares: Mastering Zero to Advance SQL With BigQuery and Metabase
